

The ESSENTIALS

From 1st September to 31st December 2017

Energy performance and electrical safety solutions

4 PACKS AT **AMAZING PRICES!**

NEARLY
€ 1,000 OFF

GoPro camera

Power and energy analyser

C.A. 8336

+ multiple accessories

Android tablet
8" - 16 Go

NEARLY
€ 400 OFF

Power and energy logger
PEL103

+ multiple accessories

Cable locator
LOCAT-N C.A. 6681

Voltage and continuity tester

C.A. 757

NEARLY
€ 100 OFF

Bag

TRMS AC digital multimeter
MTX 203

Power-socket tester

ENERGY QUALITY PACK

Simplify your work with this particularly comprehensive pack!

€ 3,990 ex-VAT

€ 4,861,25 ex-VAT

€ 1,000
OFF

+ FREE Gopro HERO +!

Qualistar+ three-phase network & energy analyser with all its accessories...

C.A 8336

Measure, analyse and adapt your electrical network. For assessing the quality of your electrical distribution network.

- 5 voltage inputs & 4 current inputs
- Measurements for power surveys and calculation of the distorting power
- Measurement of harmonics up to the 50th order
- Capture of all the transients and waveforms, definition of alarms
- Inrush mode covering 10 minutes

+1 Adapter for 1,000 V power supply via the phase

+5 magnetized test probes

+9 Reeling Boxes Winders for cables with magnetized casing

DataView® software

Ideal for processing the data and generating reports

+1

Current sensors*

Available for purchase. Discover our wide range of Amplistar sensors and clamp meters for the Qualistar+ C.A 8336. For more information: www.qualistar.chauvin-arnoux.com

* Not included in this pack

ENERGY-SAVING PACK

€ 2,140 ex-VAT
~~€ 2,505,00 ex-VAT~~
 Promo Ref. P01299970

NEARLY
€ 400 OFF

Everything from recording to report generation!

PEL 103 Power and Energy Logger with all its accessories...

PEL 103

Check the quality of your electrical installation and reduce your energy spending!

- Three-phase logger (voltage / current / power)
- Real-time and remote display of your measurements via Ethernet
- Recording of the data on SD card, up to several months' recording
- Compatible with all types of electrical networks
- Compact and magnetized for mounting on metal cabinets

+ FREE Android Tablet*!

*Android tablet 8" - 16 Go

+3 MiniFlex® sensors

+1 mains adapter for power supply via the phase

+4 magnetized test probes

DataView® software

Ideal for processing the data and generating reports

€ 100 OFF

ELECTRICIANS' PACK

The ideal duo: locate, measure and detect any faults in total safety!

LOCAT-N C.A 6681 cable locator

See through walls and floors

- Detects cables, fuses, circuit-breakers, metal pipes, etc.
- Comprises a transmitter and a receiver
- Use on current-carrying and non-current-carrying installations
- Visual and audible indications to trace the conductor intuitively

300 V
 CAT III

Tester C.A 757

The tester which thinks it's a multimeter!

- Offers all the functions of a multimeter
- Supplied with a flexible sensor capable of measuring up to 300 A AC
- Non-contact voltage detection
- One-handed use

600 V
 CAT III

+ Bag FREE!

MULTI-MEASUREMENT PACK

€164 ex-VAT
€178,50 ex-VAT
Promo Ref.
P01299971

Check the safety of your electrical installation!

MTX 203 digital multimeter with free TX0004 socket tester

MTX 203

- Multi-purpose multimeter: measures voltage, current, resistance, capacitance... and temperature
- Resolution of up to 6,000 counts
- Automatic TRMS AC measurement on all calibres
- Magnetized shockproof sheath for mounting on metal cabinets
- Backlit screen and built-in torch

600 V
CAT III

IP
54

Free power-socket tester!

TX0004,
Check your wall sockets and
the phase sequence in total
safety

CHAUVIN ARNOUX Group

MEASUREMENT EXPERT

Founded in 1893 in Paris, France, Chauvin Arnoux has succeeded over the centuries in constantly developing its expertise in the design, manufacture and commercialization of measuring instruments for professionals.

From portable instrumentation to fixed electrical equipment and energy performance solutions, from control of the whole thermal process chain to industrial metrology, the Chauvin Arnoux Group's offering covers every customer requirement, whatever the sector (contractors, industry, administration, etc.).

A few figures

- 100 million euros in sales revenues
- 10 subsidiaries across the world
- 900 employees
- 7 production sites
- 6 R&D departments across the world
- 11% of revenues invested in R&D

4 FRENCH COMPANIES

supporting the product and service offering
